For

VADM Sean Buck

NOV 2020

CAPT (b) (6)

Deputy Commandant, PRODEV

Executive Overview

- **COVID-19 Implications to Summer Training**

- USNA Summer Training was significantly impacted by the COVID-19 pandemic resulting in the loss of all Fleet Cruises and the majority of all other Professional Training Events.
- MIDN Training budget significantly reduced as most funds were shifted to fulfill other COVID related needs.
- Moratorium on MIDN Fleet training officially ended 23 OCT 2020

- **Desired End state**

(b) (5), (b) (2)

Status of Current Classes

- **Class of 2021**
 - 8 MIDN have yet to complete commissioning requirement
- **Class of 2022**
 - Did not complete PROTRAMID (Informs community preference)
 - 30 MIDN must complete commissioning cruise requirement
- **Class of 2023**
 - Did not complete commissioning cruise
 - Required to be scheduled summer 2021 or 2022
 - May impact 2/C year training (PROTRAMID)
 - Forego other training, long term impact to lower tier PTEs
- **Class of 2024**
 - Reduced cruise capacity in 2021 due to competing needs stated above

Constraints

Fleet Capacity

- **Maximum PROTRAMID capacity is ~1.25 X Class**
- **High variability in ship / sub cruise capacity**
 - unknowns due to Fleet schedule
 - unknowns due to Fleet capacity / NROTC requirement priorities
 - unknowns due to continuing COVID issues
- **Funding**
 - Expected increase in travel costs

NSTC Way Ahead

Historical Academic Year Cruises (AYC)

- Typically cruise about 30-40 MIDN during AYC period
- AYCs are only offered to 1/C MIDN
- The cruise types for AYC are surface conventional, surface nuclear, and submarine (no aviation cruises due to holiday maintenance stand down periods and length of cruise).
- There are no OCONUS MLOs for AYC.

(b) (5), (b) (2)

Road Blocks

- **16 week semester provides little opportunity for training during the academic year**
- **COVID restrictions in the Fleet limit availability for the near term to conduct training**
- **Limited budget for Summer Training for mid-year opportunities, unobligated funding for Summer 2021**
- **Unknown COVID-19 long term impacts to old “normal”**
